

## Thule Flow 606W

Low-profile roof box with aerodynamic design, perfect for the winter sport enthusiast.

1. Optimized airflow around the box thanks to aerodynamically streamlined design. Plus fits your car roof perfectly with a roof-hugging baseline.
2. Developed specifically to transport skis, poles, and snowboards, taking skis up to 210 cm.
3. Fast and secure fitting using one hand only due to pre-installed PowerClick quick-mount system with integrated torque indicator.
4. Convenient mounting, loading, and unloading with Dualside opening.
5. Central locking system provides maximum safety. The grip-friendly Thule Comfort key can only be removed if all locking points are securely closed.
6. Full access to the car's trunk without interference from the roof box thanks to the advanced position on the car roof.
